PRAYER OF THE DAY

Saving God,
in Jesus Christ you opened for us a new and living way into your
presence:

give us pure hearts
and constant wills to worship you in spirit and in truth;
through Jesus Christ our Lord,
who lives and reigns with you and the Holy Spirit,
one God, now and for ever. **Amen.**

IMPORTANT NOTICES

Mental health and Christian Faith: a conversation with Dr Cathy Evans. Today, 4.00pm–5.30pm Sunday 19 July in the Robertson Room. How might Christians approach setbacks in mental health? Particularly if we're young, or caring for a younger person? Dr Evans is a general practitioner who specialises in youth and young adults' mental health. She'll be having a conversation with Rev'd Andrew, and answering a few questions,

Warning re Scam Emails. We have had some Scam Emails lately, claiming to be from someone in the Parish (such as Rev'd Andrew). Please be vigilant about responding to any unusual emails claiming to be from someone in the Parish. If you are at all unsure about whether such an email is genuine or not, it is best not to respond to the email. Please contact the office at admin@stjohnscanberra.org so we can check whether the email is genuine or not.

Calling all welcomers/ushers/sidespersons. Extending God's welcome to all is central to being the people of God. The roles that support this ministry are therefore very important – and often more complex than people realise. We are offering two training sessions for our welcomers, ushers and sidespersons – and any who would like to consider joining this ministry. We will cover emergency procedures,

disability access, and the various other tasks such as seating, counting, and identifying those requiring Holy Communion from their seats, as well as congregation-specific issues. Please join us at one or both sessions.

- Wednesday 29 July – 7.00pm-9.00pm
- Saturday 1 August – 10.30am – 12.30pm

Youth and Young Adults dinner. Come and join in at 6pm on Thursday 23 July in the Robertson Room. We're pretty generous about the word 'young'. Contact jess.evans31169@gmail.com

Operation Christmas Child. In order for the boxes filled with gifts and the opportunity to meet their Saviour to be sent so that the children can receive them this Christmas, we are launching a 'Christmas in July' celebration on Sunday 26 July. There will be lots of lovingly prepared boxes for you to choose from. If you prefer to fill your own, these can be collected on 26 July. However, they will need to be back by 16 August if you would like them sent with the St John's lot. They will be blessed in the 9.30am service on 16 August and then whisked off for their journey to the children.

Public reading and intercessions ministry. Are you part of our regular team of Bible readers or intercessors? If you are, or would like to consider joining this group, please make use of this training session to assist your ministry. Rosemary Thwaites (9.30am service) is an experienced voice coach and will offer some helpful tips to help your reading voice enhance this important part of our public worship. The event will be held twice, to maximise attendance: 11.15am, Sunday 16 August and 7pm, Tuesday 25 August (in the church).

Children and Families Worker. We are hoping to fill the position of Children and Families Worker, primarily working with our 9.30am service, as soon as practicable. Please share the advertisement with suitable people known to you. <https://tinyurl.com/stjohnsfamilies>

Our Parish Fair 17 October. All the convenor positions are filled, but if you wish to assist in other ways, please email the office at admin@stjohnscanberra.org. Several stalls will need extra volunteers, including: white elephant, treasures & trinkets, cake, craft, and the BBQ. Also, anyone interested in helping with the sound system on the day, we'd love to hear from you. See page 11 for ***What When and Where to leave your donations.***

CHURCH CENTER & PARISH DIRECTORY

You may have heard by now about Church Center, the app and website we're using to assist communication at St John's.

We recognise that not everyone loves phones and apps and technology, or wants to sign up in this way. **That's completely OK.** The information below is for those who'll find it useful.

If you've not signed up yet and would like to, download the 'Church Center' app (note the U.S. spelling!), search for 'St John the Baptist Anglican Church', and give it a go. Or, email admin@stjohnscanberra.org for a short PDF on how to proceed.

We're rolling out two new functions in Church Center that will enable us to contact each other: the **Directory**, and **Groups**.

The Directory: what you need to know. If the following seems a little cumbersome, that's because we're ensuring the security of your details, your control over your details, and your decisions about to whom you'll respond.

- A 'Directory' icon now appears at the bottom of the Church Center app. *(You can also access it on a computer through the web. But we'll focus here on the app.)*
- You'll only appear in the Directory if you are enrolled in Church Center **and then ask to join** the Directory (see below).
- If you join, others will be able to contact you, but **via email only**. Your email address is initially hidden from them.
- In the Directory, you click on 'Contact [person's name]'. You write a note in the app, which then goes to their email inbox. They'll then respond to you (or not) **via email (not via the app.)**
- When you *receive* a contact in this way, it's up to you whether to reply to their email. (If you're not sure who someone is, you can always check with church staff before replying.)
- We strongly suggest you'd **only** share a phone number, or anything

else, **with someone you know**.

- You cannot be contacted via the Directory if you've not entered an email address into Church Center. It relies on email addresses.
- Phone numbers and email addresses **will never appear** in the Directory.

To join the Directory, after you've enrolled in Church Center (see above), you need to do **three things**:

1. Email Jane at admin@stjohnscanberra.org, and ask for an 'invitation' to join.
2. You'll receive an email from 'St John the Baptist Anglican Church <no_reply@churchcenter.com>' (check your spam folder!). In that email, click 'Yes, share my information'.
3. In the app, go to your 'information and settings', then to 'Directory Listing'. Select 'Allow others to contact me', and hit 'Update'. (You might also like to share your photo, as an aid to us getting to know one another.)

That's it. You should then be able to contact others, and be contacted.

Groups. Groups are a powerful function allowing smaller groups within St John's to communicate with each other—this time, *through* the app (and so reducing endless emails).

It will also enable you to share resources, advertise meeting details, and do some other things.

If your small group (e.g. a Bible study group; volunteer workers' group; music team; catering team, etc.) would like access to that function, let Rev'd Andrew know, or email admin@stjohnscanberra.org.

There'll be some policies you'll need to know and observe. But this aspect of Church Center will be very useful.

Of course, you need to be enrolled in Church Center to use the Groups function. However, you can be in a group *without* also being in the Directory.

A National Day of Recognition Friday 16 October 2026

The Parish community is warmly invited to attend **Honouring the Hidden Service**, a special national event recognising the often unseen service and sacrifice of the partners, spouses, families and carers who stand beside Australia's serving and former Defence personnel.

Hosted by Partners of Veterans Australia, the day will be held at the Australian War Memorial, Canberra, on **Friday 16 October 2026**.

The day includes:

National Commemorative & Wreath Laying Service at the Australian War Memorial

National Symposium featuring respected speakers from Defence, government, research and the veteran community

Community Support Showcase, connecting veterans and families with organisations providing practical support

An optional **Formal Gala Dinner** in the magnificent ANZAC Atrium beneath the iconic F-111 aircraft, celebrating the extraordinary contribution of Australia's Defence and veteran families.

Whether you are a veteran, currently serving, a Defence partner, family member, carer, chaplain, supporter, or simply wish to honour those whose service often goes unseen, everyone is welcome.

Many in our parish have served our nation or have supported a loved one through military service. This is an opportunity to acknowledge their contribution and to stand together in remembrance, gratitude and hope.

Registrations are now open. For event information and bookings, please visit the Partners of Veterans Australia Eventbrite page:

Accounting

“God knows all the sciences except one...God knows nothing of mathematics.”

Richard Rohr, in a YouTube podcast, attributes this aphorism to Thérèse of Lisieux, a Catholic Saint also known as ‘The Little Flower’ (I tried to find an original reference but quickly exhausted my googling skills) I don’t know about you, but when I first heard it, I bristled...you can’t say God doesn’t know something! That is of course, until you realise that there is more to it.

Perhaps better might have been, ‘God knows nothing of accounting’, or ‘balancing the books’ But that may lessen the impact and risk missing the point. The reality is, that God, whom we see most clearly in the person of Jesus, would make a terrible accountant. At least when it came to his accounting of our lives. You see, Jesus is in the forgiveness business. He’s in the ‘cancelling the debt’ business. He is not in the, ‘squaring the ledger and making sure everyone gets what they’re owed’ business. If he were, we’d all be in trouble. “But what have God’s non-accounting skills got to do with providing people with practical help” I hear you say...

Well, it’s the *engine room* of what St John’s Care is all about. We love, because *God first loved us*. We can give – and forgive – because we have been forgiven. This is the core reality that keeps the heart of St John’s Care beating. And if we claim this reality for ourselves, we must let it flow out of us in the same way. Yes, in literal forgiveness; but also in other ways, like continuing to give food and other practical support to people who can, quite likely, never pay us back. And that is the point...We aren’t meant to be good at ‘accounting’. Ideally, we wouldn’t even think of it. Ideally, those of us who have privileges that others don’t, would give with no expectation of repayment whatsoever. And I reckon this should hold whether you consider yourself a forgiven ‘Jesus’ person or not. Because even if you don’t, we all know in our bones that generosity is better than keeping score.

Thank you for your continued partnership and support.

Grace and peace.

Nathan, Community Chaplain

ST JOHN'S CARE WINTER APPEAL

As Canberra's temperatures continue to drop, more people in our community are being pushed to breaking point. Families who have never needed support before are now struggling to afford food, fuel, heating, and other everyday essentials.

This winter, St John's Care is expecting one of our busiest seasons yet, and we need your help. The good news is that every donation made to our Winter Appeal will be matched dollar-for-dollar up to \$30,000 thanks to the incredible generosity of one of our long-time supporters.

That means your kindness can have twice the impact for local people doing it tough this winter. Together, we can help provide emergency relief, practical support, and hope to people across our community when they need it most.
