

# **Baptisms in the Parish of St John the Baptist, Canberra**

## **1845 - 1915**

compiled by Alan Wilson, Hon. Parish Archivist

February 2024

## **Notes**

This list of 1591 baptisms was compiled from transcripts of the Baptism Register of the Anglican Parish of St John the Baptist, Canberra, originally made by Jean Salisbury.

The first baptism conducted in the church was that of William Elliot on 20 July 1845 by Rev'd Edward Smith. The last ones listed here are those of Thelma Annie Welsh and Gladys Jean Clark on 28 November 1915 by Rev'd Albert Montagu Stephen Wilson.

Unless otherwise indicated each baptism was conducted in the church of St John the Baptist, Reid, ACT. The number at the end of each entry is the number of the entry in the Baptism Register.

Some entries in the Register are incomplete. No alterations, corrections or additions have been made to names of people, places or any other text in the register entries, even if such text is obviously incorrect, incomplete or inconsistent with that in another entry.

It is planned to compile further lists of baptisms for the period since 1915. Lists of marriages and deaths/funerals/memorial services are in preparation.
