

Marriages in the Parish of St John the Baptist, Canberra

1845 - 1939

compiled by Alan Wilson, Hon. Parish Archivist

February 2024

Notes

This list of 688 marriages was compiled from transcripts of the Marriages Register of the Anglican Parish of St John the Baptist, Canberra, originally made by Jean Salisbury.

The first marriage conducted in the parish was that of Thomas Turner and Elizabeth Fisher on 23 July 1845 by Rev'd Edward Smith. The last one listed here is that of Arthur Charles Sweeting and Una Kathleen Bilton on 22 December 1939 by Archdeacon Charles Shearer Robertson.

Unless otherwise indicated each marriage was conducted in the church of St John the Baptist, Reid, ACT. The number at the end of each entry is the number of the entry in the Marriages Register.

For each marriage there are two entries, one for the groom and one for the bride.

Some entries in the Register, especially those for marriages celebrated before 1860, are incomplete. No alterations, corrections or additions have been made to names of people, places or any other text in the register entries, even if such text is obviously incorrect, incomplete or inconsistent with that in another entry.

Most entries in the Register contain many additional details not included here, including the occupation, and place of birth of the groom and the bride. Also often included are the names and occupations of the couple's parents and the names of witnesses to the marriage. However, in most cases the dates of birth of the groom and the bride are not included.

Most entries also contain the marital status of both the groom and the bride. In the vast majority of cases, the marital status of the groom is "bachelor" and that of the bride is "spinster", and in these cases the marital status is not shown in the entries in this list. But where the marital status of a groom is "widower" or "divorce petitioner" this is shown in the entry. Similarly, where the marital status of the bride is "widow" or "divorce petitioner" this is shown in the entry.

It is planned to compile further lists of marriages for the period since 1939. Lists of baptisms and deaths/funerals/memorial services are in preparation.
